BOIL WATER NOTICE TO THE RESIDENTS OF EAGLE POINTE

August 11, 2023

Clarendon County Water and Sewer Department advises the residents of Eagle Pointe, located in Clarendon County, to vigorously boil their water for at least one (1) full minute prior to drinking or cooking.

This is due to a low or loss of pressure being experienced as a result of a water line break. Residents should continue to vigorously boil their water for at least one (1) full minute prior to drinking or cooking until otherwise notified by Clarendon County Water and Sewer Department. Also, any ice made from water which has not been boiled should not be used for drinking purposes.

The Clarendon County Water and Sewer Department is working to correct the problem.
